Soft Touch Dental Care

Family & Cosmetic Dentistry

In 1999, Dr. Dijour graduated from Howard University College of Dentistry in Washington, D.C. Subsequently, she entered into a General Practice Residency at the Long Island College Hospital in Brooklyn, New York. After completing the Residency Program, she entered private practice as an Associate Dentist in a large office in New York. In 2004, Dr. Dijour launched her own private practice in Old Bridge, New Jersey focusing on complete family and cosmetic dental care using the latest advances and techniques.

Dr. Dijour is a member of the **American Dental Association**, the **New Jersey Dental Association**, the **Academy of General Dentistry**, The **American Association of Women Dentists**.

Dr. Dijour, her husband and their two children are residents of Morganville.

State Of The Art Facility

Our office was specifically designed to enhance our patients' comfort.

We have a state of the art dental facility. You will find our modern patient waiting room equipped with comfortable seating, a choice of popular magazines, music selection, as well

educational videos and satellite programming on our flat screen television.

In our treatment rooms, you will be pleased to find

brand new dental equipment including intra-oral cameras and x-ray machines, as well as a panoramic x-ray. We utilize the most modern sterilization techniques. Likewise we offer educational videos and satellite programming on individual patient LCD monitors as well as a variety of music choices.
